I don't need silence

I don't need silence
I don't need fear
I don't need silence
I don't need obligations

I don't need distance
I don't need empty boxes
Or empty space
I don't need silence

Our world is full of colours
A beautiful image with trees and flowers
I don't need silence

I need words
I need music
I need laugh
I don't need people they don't want to heal

I don't need silence
I don't like

I hope my life Will change
My eyes will open and
Everything will be peaceful

Angels

One day an angel came to earth

He saw the faces of humans

He become one of them

He saw the body of humans

He created onebody

He even walk like them

But the big problem was the wings

Where the humans hide their wings??

©Eva Petropoulou Lianou

Strange days

Strange behaviour
People are not going to correct direction

Like birds or whales
They lost their orientation
They are killing each other
They are jealous
They don't want the best of the neighbor
Earth is tired of humans

© EVA Petropoulou Lianou

War

The first word
Babies said before they walk in
Palestine

Shame to this humanity
How can you be happy
When in the other side
They are sacrificing babies
Thousands babies
Pray for the souls of the innocents

© EVA Petropoulou Lianou

In our days

We are grateful for just breathing
Day come
Day go

People are dying from unknown virus
Earth is tired of the pollution and she even started to cry

We wake up and we are praying because outside
It is raining

We don't know if we are going to live or die
Floods and fire
Everywhere

How are you
How is the weather
Become our everyday worry

Here comes the poetry
A word from the heart can inspire
A song from a friend can change our mood

We can create strong bounds with people which never meet
Only by reading their poems

Because we are all humans and we need to be Heard and loved

FALLEN ANGEL
Written by Eva

ANJO CAÍDO
Escrito por Eva
Petropoulou Lianou
Tradução para
Português: Taghrid Bou
Merhi

Quando você tem seu corpo coberto,
seus olhos cobertos, suas mãos
cobertas, mas sua mente pode criar um
mundo de amor e beleza...
Você é um anjo caído

Quando você está em um relacionamento
tóxico, não importa se é seu amigo
próximo ou membro da família ou sua
esposa ou marido e você sai intacto, com
o coração cheio de esperança.
Você é um anjo caído

Se você se incomodasse com seu sexo,
sua capacidade de aprender muito
devagar ou comer demais ou chorar por
tudo, ou ser muito sentimental.
Você é um anjo caído

Se você está quebrado e tenta consertar
o outro sem pedir compreensão ou
compaixão ou mesmo que alguém esteja
com você nos seus momentos mais
difíceis...
Você é um anjo caído

Enquanto este mundo passa por tempos
difíceis e se torna cada vez mais
perigoso para mulheres e crianças, eu
pergunto a você, Anjo Caído...

Coloque de volta suas lindas asas
Este mundo precisa de você para curar!!!

When u have the body cover, your
eyes covered, your hands covered
but your mind can create a world of
love and beauty...
U are a fallen Angel

When u have been in a toxic
relationship, no matter if is your
close friend or family or your wife
or your husband and you manage to
get out intact, with your heart full of
hope
U are a fallen Angel

If you were even bailing about your
sex, your ability to learn too slow or
to eat too much or to cry for
everything, or to be too sentimental
U are a fallen Angel

If you are broken and you try to fix
the other without asking for
understanding or compassion or
even someone be there with you in
your hardest times...
U are a fallen Angel

As this world goes through difficult
times and become more and more
dangerous for women and children,
I pray to you Fallen Angel...

Put back your beautiful wings
This world needs you to heal!!!!
