A. Animation video about Climate change 3min [by CAFOD](#)

<https://www.youtube.com/watch?v=KOgF2Kgel6k&list=PLCqV6mKXfbD9-lxiQw-vLs1KPIWv7ttVm&index=4>

B. Performance : PICNIC SAARISTOSSA 20 min

"PicNic Saaristossa" on visuaalinen teatteria jossa päähenkilöt/hahmot ovat jalat. Jalat ovat pukeutuneet nukeiksi. Esityksen teema on Ilmastomuutos.

Ilmastomuutos liittyy eri tavoin joihinkin muihin ympäristöongelmiin, esityksessä huomioitaan että: Auringon säteet ovat tulleet maan ilmakehään, Maan lämpötila on noussut, Meri sairastui, millainen henkilön ruokavalio on ja millä kulkuvälineellä lähdetään

lomalle...Esitys sopii kaikille ja kesto on 20 min jossa yhdistyy visuaalinen hahmoteatteri, musiikki ja kehonhallinta. Koreografina on toiminut v.2016 taiteilija Laura Kibel Roomasta, Italia. Näyttämöllä: Cosimo Galiano ja näyttelijäKieli: Suomi ja Italia ja sanatonkin

C. Workshop: Creating together shapes or puppets by using recycled materials. An interactive workshop by **Cosimo Galiano** ja **Anna Kargu**

DAY3 20.00 -22.00	Saturday 28 September "Closing the Loop" by Kaleidoscope Futures, Dr Wayne Visser, Indira Kartallozi (present) Synopsis: Going "circular" refers to the necessary change from our current take-make-waste linear economy to a borrow-use-return circular economy (sometimes also referred to as the zero-waste or cradle-to-cradle economy). The film is directed by A two-time Telly® Award and Emmy® Award winning filmmaker Graham Sheldon and presented by global sustainability expert, Prof. Dr Wayne Visser. And despite its dire warnings, it's is an optimistic film about innovative solutions. Closing The Loop features pioneering cases  	<u>Culture House Fanny</u> <u>Kirkkopuistikko 34, 65100</u> <u>Vaasa, Finland</u>
22.00 -23.00	Music concert: "Rock for Climate" A selection of 12 ecological songs written from 1969 until 2018 performed by Watermelon Slice Band (free entrance) 	<u>Culture House Fanny</u> <u>Kirkkopuistikko 34, 65100</u> <u>Vaasa, Finland</u>
